

Fall Story Time

Join us at the Quitman Public Library, located at 202 East Goode Street,
every Wednesday morning from 2-3 p.m.

Elizabeth Soutendijk, who works with Gateway to Libraries - Reading
Literacy, has designed a thematic program that teaches as well as
entertains.

The program features picture book storytelling, activities, and arts and
crafts, and is aimed toward children 4-8 years old. Story Time is a fun
learning experience for young children and homeschoolers. Don't miss it!
